

KISMET GUIDE

SPECTRUM PLAN MANAGEMENT

This guide has been created for Macquarie Support Coordination clients who are with Spectrum Plan Management and want to know how to use the Kismet App as their Plan Management portal to access information regarding their child's NDIS Plan.

1

DOWNLOAD THE KISMET APP

Download the Kismet app from your mobile device's App Store or Google Play.

2

LOG IN

Create a login with the email address you use for your child's NDIS Plan.

3

IF YOUR CHILD'S PLAN DOESN'T APPEAR

Don't stress! Contact your Support Coordinator and they will get in contact with Spectrum for you!

4

EXPLORE YOUR CHILD'S NDIS PLAN

View their budget, view the most recent invoices submitted by providers and track your child's spending.

Please reach out to your child's Support Coordinator if you need any help, they are always happy to help!
